Contact our Rental Department today at 817.261.8131 or 800.313.6748 to make your reservations.

Ways to Save!

Our weekend rental rate is the same as our daily day rate. Any rental gear that is picked up after 3pm Friday and returned by 11am Monday will be charged only a daily rate.

Rental Rates

A daily rental is for a 24 hour period of time from when the equipment is picked up. In addition to our weekend rate, we also offer a special weekly rate. For our weekly rate you will only be charged for four days and the fifth day is free! In order to take advantage of our special rates and secure the equipment you need, we ask that you make your rental reservations well in advance. Please note that proper identification must be provided and all rental charges must be paid in full at the time you pick up the equipment.

"I view my role in the Rental Department of Arlington Camera as one of a photographic assistant. My sole aim is to provide for the photographer helpful information and the best equipment possible." -- Jay Wegner, Rental Manager

Out of Town Rentals

We will be happy to ship anywhere in the contiguous United States, provided that all identification and deposit requirements are met. For new customers, we require at least 24 hours form receipt of the required information before we will ship. Please be aware that the rental time period for shipped items starts when the equipment is actually shipped and ends when the equipment is returned to us.
